[www.Vitambi.menu](http://www.Vitambi.menu) is a website for ordering and payment.

IT IS NOT AN APP, so there is no need to download anything to your device! Scanning a QR code simply takes you to [www.vitambi.menu](http://www.vitambi.menu) . Scanning a QR code is not required if you enter [www.vitambi.menu](http://www.vitambi.menu) into your browser.

Do not enter the website into a search engine.

You can setup your account before you begin your order, or you can place items in your cart and you will be redirected to create your account to complete your first order.

Your first order requires that you setup an account which registers your payment method. After your first order, your payment details are saved, however you can always change and/or delete a payment method. Upon successful account setup, you will get the following warning, which prompts you to enter your table number or location.

LOCATION NOT  
RECOGNIZED.  
ENTER THE  
TABLE NAME  
FROM THE  
NEAREST  
LOCATION  
MARKER.

**Your location is the most important detail when ordering!!!** This tells us where the order is going. At the beginning of each order, we advise that you select “CHANGE MY LOCATION” from the main landing page prior to re-ordering. **For instance, if you move from the Dining Room to the Bar, make sure to use “CHANGE MY LOCATION” and select “BAR PICKUP”.**

**If you choose to use “Place Another Order”, please ensure that you are at the same location as your previous order!!! If not, select “CHANGE MY LOCATION” and enter your new location!**

When dining at the Café, enter your table number and select “ORDER HERE”. During dinner service, the bar menu can also be accessed in the dining room. Dinner can also be ordered and delivered to the bar.

Other ordering options include “ORDER TO GO”, “POOLSIDE DELIVERY” or “BAR PICKUP”. Orders to go are prepared as take-out and are available for pickup at the café’ pickup stand.
